E ver been told you're too young for this? Not old enough for that?

Come to camp this summer and experience what you can do in God's kingdom!

Kids Camp offers a chance for children to grow in their relationship with God, make new friends, experience independence, and spend time outside.

This year's theme centers on kids' abilities to serve and God's faithfulness to use what they have to offer. This includes Bible studies on Bible characters who served God in spite of the odds.

Activities include swimming, kid-friendly Bible study, worship, prayer, field games, nature activities, art, cabin devotions, snacks, basketball, 4 Square and more!
